THE THEATERS

The Bijou, one of the high class photo plays, the kind you all like to see, is putting on some fine pictures since changing onto its new schedule. Friday, May 2 will be Pathe comedy day. Miss Gwendolyn Pates and Mr. Charles Arling will appear at the Bijou in a two reel comedy feature, "An Exciting Honeymoon," the funniest, happiest, most wholesome comedy in years. As full of screamingly funny situations as a hive is of honey. Lord Rowley, the unfortunate and newly sighted bridegroom, loses his eye glasses just after the ceremony and starts on his bridal tour with the colored cook instead of the sweet little girl he had just married. There is a laugh in every sprocket hole on this reel. An exciting chase, a race down the bay on a tug after the rapidly disappearing steamer and Lord Rowley, a thrilling exchange of doubtful courtesies between Lord Rowley and the cook, whose identity he has now discovered and in which the cook comes out on top with the poor Englishman shooting down the ventriloquist into the coal bunkers. These are but some of the things that go to make the film undoubtedly the best comedy in years.

By request the Winters, Harris and Proy musical comedy company has

been held over for the last half of the week and it will present an entirely new show with a complete change of costumes, music, dances and scenery. "The Harvard Girls" is a comedy that is full of good dialogue that will please all and the comedy is clean and laughable.

BOWLING NEWS

Gore Team Wins.

The Gore team won all three games from the Monarch team, of mannington, in the regular weekly scheduled game of the Valley Duck Pin League played on the Gore alleys last night. The winning of the three games makes it almost a certainty that the local team will win the pennant, as it would have to lose two games out of every three played from now on to the close of the season and the team in second position would have to win three games every contest to defeat it.

John Price, rolling for Bert Gain, had high score and high average.

Loar and White Win.

The Loar and White team of the Scholastic Duck Pin League won two games from the Millers team in the contest rolled on the Gore alleys last night. Robinson, of the Loar and White team, had high average for the evening, while J. Williams, captain of the same team, had high score.

RAIL

For the Traction Line in the Town of Weston is Finally Chosen.

It has been decided as to the kind of rails that will be used by the Monongahela Valley Traction Company in Weston. The company left the matter of deciding the kind of rail to

the council of the town so that it might get just what the town wanted. After four months of investigating the Council of Weston has decided on a rail similar to that used in Sistersville. The delay that this has occasioned will probably be costly for the firm manufacturing the Sistersville rail had its output sold for a year in advance and would not quote prices to the traction company. Other companies manufacturing a similar rail cannot make shipments before August. The T. rail for the remainder of the line is placed, and is listed to

Weston where the Baltimore and Ohio has already delivered ballast for a distance of three and one-half miles with steam engines. All of the work on the line is progressing nicely and the only delay in the opening of the line will be the difficulty to get early shipments of the rails to be used within the corporate limits of Weston.
